

COVID-19 STATUS

Open Hands Midway uses the guidelines of the Minnesota Department of Health (MDH), and the Centers for Disease Control (CDC) to determine our masking policy we adhere to during **ALL** of our meal and food programs. Signs will be placed on our entry door which state either **MASKS REQUIRED** or **MASKS RECOMMENDED**. Everyone who attends must comply with this policy in order to enter the facility. A limited number of masks will be available for those who do not have a mask but we ask that if you have a mask you bring it along when you come.

Please know that our staff and volunteers will be required to comply with our current policy as well in order to keep everyone safe and prevent the spread of COVID-19. People may choose to mask at any time. People with symptoms, a positive test, or exposure to someone with COVID-19 should wear a mask regardless of the signs posted at Open Hands Midway. We reserve the right to refuse service to anyone who willingly does not comply.
